I believe I am an original, first, and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention filed herewith and entitled: Method and System for Displaying Confidence Intervals for Source Reconstruction.

I state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to herein;

I acknowledge the duty to disclose information material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a), including any public use, sale, or offer for sale of the disclosed invention occurring more than one year prior to the filing date of said prior application.

I hereby claim priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed pursuant to § 119 (a) or of any provisional patent application(s) listed pursuant to § 119(e) and have identified any such application(s) for patent or inventor's certificate having a filing date before that of the application on which priority is claimed: U.S. Provisional Ser. No. 60/393,908, filed July 3, 2002,

PCT/US2003/020915, filed July 1, 2003.

I hereby claim the benefit under Title 35, United States Code, § 120 of the United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the duty to disclose
